as principal of MacGregor and Vista Schools. He was graduated from UCLA and received his masters degree in 1948 at UC. For the past four years he has been vice-principal and teacher at the Frank E. Havens School in Piedmont.

Reed resides with his wife and

two children at 1832 Capistrano Ave., Berkeley.

Other new appointments include Richard H. Meder, high school; Miss Jeanette Desin, Miss Patty M. Sylva, Miss Virginia I. Ward, Mrs. Eunice M. Artus, all elementary schools; Robert E. Humpert, high school; and Miss Helen C. Parker, nurse. Miss Parker succeeds Mrs. Ethelwyn Saxild, who is retiring.

Resignations were accepted from the following teachers: Mrs. Yvonne Lohr Oliver, Codornices; Mrs. Elmer F. Klein, MacGregor; Mrs. Betty Twitchell, Codornices; Miss Roberta J. Conrad, Cornell; Miss Mabel F. Ahlrad, Cornell; Miss Elmer Shaugnessy, MacGregor; Mrs. Alberta Firth, Marin; and Mrs. Beverly Conant, Vista.

The Board met in a special session last Saturday evening to open bids for construction and renovation at Marin School.

Contract for the work was awarded to A. F. Stewart, of 1130 Keith Ave., Berkeley, whose bid of \$47,255 was the lowest of three submitted.

New bids were called when R. F. Johnson and Sons, El Cerrito contractors, were released from their low bid of \$39,937 for the work.

The construction provides for the renovation of three classrooms, part of the original Marin School construction; complete rewiring of the building with a number of added light fixtures; forced ventilation in the auditorium, and the construction of two new classrooms.

Marine Award to Arthur Carlson

Arthur Carlson, first vice-commander of Albany Post 292, American Legion, today held the bronze star for gallantry in action at Saipan during World War II.

The presentation was made by Capt. W. W. Brown, officer in charge of the San Francisco Area Recruiting Dist., at ceremonies held by the U. S. Marine Recruiting Office in Oakland Post Office last Thursday.

Carlson spent four years in military service, holding the rank of corporal in Company C of the Fourth Tank Battalion of the Fourth Marine Division on Saipan. He was previously presented a purple heart for losing a leg, after being struck by a Japanese tank shell at Saipan. Carlson has lived in Berkeley for the past year with his wife, Jean, and two children, Jackie, 3, and Jimmy, 1. He is a member of Albany Chamber of Commerce and is associated with the North American Accident Insurance Co. of San Francisco.

The new officers include Mesdames Roy Rancho, president; Jerome Blank, secretary; Robert Turley, treasurer; Sol Rindberg, social chairman; Robert Smith, transportation; Max Etingoff Jr., historian and Mrs. Tscharnet, Sgt. at Arms.

Retiring officers include Mesdames Sid Weinzeimer, J. A. Bachman, William Roberts, Richard Mitchell, Edward Hanaway and Robert Turley.

The annual summer frolic for members and husbands will be held the evening of June 24.

Mr. and Mrs. Howard G. Walker Jr., of 905-A Talbot, are announcing the arrival of Douglas Cretcher, born May 11 at Herriek Hospital.

RECALL ASKED FOR GRAEBER

Advisory Group Named to Assist John Longaker

An advisory group of 15, representing a cross-section of Albany citizens, has been organized to assist Councilman John C. Longaker in lending proper thought and consideration to various municipal problems and planning.

"There will be no limit to the problems taken up by this group of citizens as it is a sincere desire and expression to work out the highest type program desired by the general public," Longaker said in an announcement.

He said the group would assist him in statistical matters, surveys as to public opinion on various matters and make recommendations to him for consideration by the City Council.

"Members of this group were asked to serve by virtue of their desire and sincerity and their willingness to devote time.

"It was a method to offset the loss of the possibility of a city manager at this time so that the interests of the people did not suffer—but that we would still be able to make real progress in the right direction," he said.

The group, which had its first meeting Tuesday night at Albany High School, includes the following:

Wallace Mardilla, 836 Stannage Ave.; Milton Porter, 506 San Carlos Ave.; Earl Sorenson, 1052 Evelyn; Mrs. Marge Price, 1027 Key Route Blvd.; Paul Burbage, 1249 Portland; Wallace Webb, 881 Washington Ave.; Mrs. Sigmund Odegard, 418 Evelyn; Fred Meyers, 655 San Gabriel; Bill Price, 518 Curtis; Bill Donahue, 735 Spokane Ave.; Mrs. Elda Foot, 635 San Gabriel; Irving Green, 1330 Washington; D. A. Brunetti, 922 Ventura; Mrs. Charlot Gray, Portland Ave., and Dan Atwater, 955 Ordway.

The advisory group is presently limited to 15, Longaker said.

Ralph Beemer Named For Commander's Post

Ralph W. Beemer, past commander of Albany Post 2658, Veterans of Foreign Wars, will be installed as commander of the 14th District of V.F.W. at the Department Encampment meeting in Santa Monica next Monday, it was announced today.

Beemer, who has commanded the Albany Post for the past two terms, will also be seated to the Department's Council Administration. He will be accompanied by local delegates from the Post and its Auxiliary.

Legal Procedure Started

First step for the recall of Mayor Charles F. Graeber of Albany, member of the City Council for the past 11 years, was taken today when a notice of intention to circulate petitions "demanding" his removal from office was submitted to the Albany Times for legal publication.

The paid notice which contained the signatures of 10 registered voters listed four specific reasons for his recall.

The statement in brief included the following:

1. "That he has failed to conduct the affairs of the City in a proper, satisfactory and business-like manner.
2. "That he has clearly shown himself to be totally devoid of a proper understanding of civic questions.
3. "That he has shown his inability to conduct the proceedings of the Council in an orderly manner.
4. "That he has shown himself lacking in independent judgment, being notoriously under the control of and subservient to a special group."

Signatures included on the notice were John O'Gara, 830 San Carlos; Anthony J. Cabral, 1115 Garfield; Florence Helena Spillner, 925 Madison; John A. Gunnarson, 935 Madison; Earl G. Vaughan, 910 Adams; Hans Plaehn, 1493 Sonoma; Harry A. Crumney, 906 Adams; Sarah A. Crumney, 906 Adams; Boyd E. Harman, 534 Stannage, and Arthur R. Bristol, 835 Cornell.

Vista Primary PTA Closes Year With Sukiyaki Dinner

A novel evening of food and fun closed the year for members of Vista PTA when they gathered at the school recently for a sukiyaki dinner.

The Japanese dish was prepared by a native Japanese graduate student, Miss Hideko Tsuji.

The executive board were hostesses for the affair, assisted by the food committee, Mesdames Leslie Hanelt, Gordon Johnson and Salvatore Tallico.

Entertainment of the evening was planned by the committee, including Mesdames Peter Ward, Helen Selle, and E. H. Thresh, under the chairmanship of Mrs. Stanley Schaugard.

Officers for the coming year were installed by William Woolworth. The new staff includes Mrs. Herbert Minster, president; Mrs. A. J. Schumacher, first vice-president; Mrs. Carlos Pearce, second vice-president; Mrs. Gilbert Sutherland, recording secretary; Mrs. Stanley Schaugard, corresponding secretary; Mrs. William Pratt, treasurer; Mrs. Harold Senne, financial secretary; Mrs. John Ellinger, parliamentarian; Mrs. John Kollenbaum, auditor, and Mrs. Albert Calder, historian.

Mrs. Ellinger, the retiring president, recently entertained members of the executive board and teachers of the school at a luncheon at her home, 916 Jackson St.

After the notice of intention is published in a legal newspaper, according to the City Clerk, the petitioners must present an original copy of the intention to the person being recalled and stating their reasons. An affidavit of the intention must also be filed with the City Clerk. Then the law allows 14 days in which the person being recalled may answer any charges.

During Graeber's 11 years on the Council, he has twice before served as mayor; and during other years he served as chairman of the Finance, Fire, Street and Police Commissions. The mayor is appointed by a majority of the Council on a rotation system, each Councilman serving a one year term.

Graeber has lived in Albany for the past 28 years and has been active in Community Chest, Red Cross, American Legion of which he is a past commander, Scout activity, Selective Service Board during World War II, and was the Council's appointive member on the Board of Education from 1943 to April, 1950.

He and his wife Helen Louise reside at 1061 Peralta and are parents of four children. He has been an employee of the Ford Motor Co. in Richmond for the past 28 years.

A bronze star medal he earned six years ago for heroism against the Japanese on Saipan and Tinian Islands was presented to Arthur J. Carlson (left) of 84 Kingston Road, Berkeley, by Capt. W. W. Brown of the Marine Corps here yesterday. Carlson's wife, Jean, witnessed the award. Carlson was commended by the Secretary of Navy and the commandant of the Marine Corps for his actions as a tank gunner with 4th Division.—Tribune photo.

The Albany Soroptimist Club's \$300 Nurse's Scholarship is presented by Mrs. Nell Moore, left, to Beverly Ikola, 17, Albany High School graduate, right. Looking on is P. J. Kane, Albany High School alumnus and last year's scholarship winner, who has just completed his first year of service at Merritt Hospital, Oakland.

Homemaking
Today

A can of paint and a steady hand will give worn pieces of furniture, or even a whole room, a new lease on life. And you'll have as much fun doing the painting as you will admiring the results. Painting is an ideal summer activity. Once you start the ball rolling it may well become a family affair.

It doesn't take a professional to do a good-looking, durable paint job. Following certain rules, however, will lead to greater satisfaction in the finished "work of art."

Preparing the surface is the first step. It must be clean, dry and smooth. Wash thoroughly to remove all wax, furniture polish and oil. Use a cloth saturated with turpentine or a commercial paint cleaner dissolved in water. Then dry well with a clean cloth.

Sand or scrape rough surfaces; sandpaper glossy surfaces. Remove scaling paint with a scraper or wire brush. Fill any cracks or nail holes after the priming coat has been applied.

If the old finish is badly worn or scarred it may be removed with a paint and varnish remover. Lay paint remover on (not brushing back and forth) and let it soften the old finish then remove with a putty knife. Wash surface well with turpentine, dry with a clean cloth and then sand smooth and wipe with a cloth dampened in turpentine. Most paint removers are highly inflammable and some are toxic, so be careful to use them outdoors or in a well-ventilated room.

Selecting the right type of finish for the article to be painted is important. Your local paint dealer will gladly advise you on this and on the amount you will need. Then it's plain common sense to read the label before you go to work, and follow the manufacturer's instructions.

Mixing the paint is a job that must be done thoroughly. Pour off any oil on top into a clean container. Stir the remainder up from the bottom of the can, then pour the oil back and stir some more. Next, pour from one can to another until the paint is well mixed. Stir frequently during painting.

Good painting habits are worth cultivating. First, to spare yourself a laborious clean-up job, cover the floor and furniture with newspapers or dropcloths.

Use a clean brush of the right size for the job to be done. Dip the bristles into the paint to about two-thirds of their length and draw the brush lightly over the edge of the can to remove excess paint. "Drowning" the brush is sure to result in a sloppy job.

Apply paint in thin coats, brushing it out well. Then cross-brush with light strokes.

When painting interiors, start at the top and work down, finishing with the floor. (And watch that you don't get trapped in a corner!) In painting chairs and tables, paint legs and underneath section first. Allow ample drying time between coats.

When you are through painting, leave things shipshape for the next time. Wash brushes in paint thinner or turpentine, then in warm soapy water; rinse and shake well. Wrap the bristles in heavy paper; store brushes in a cool dry place. Wipe rim of paint can and cover tightly to keep out dust and dirt.

ALBANY SOROPTIMIST SCRIBBLINGS

Soroptimists enjoyed one of the most important events of the year Wednesday evening, when officers were installed at a formal dinner held at the College Women's Club in Berkeley.

Freeda Bolton, chairman of the committee for the evening, Grace Higgins, and Mary Carlevaro outdid themselves on preparations, program, and decorations. Following dinner in the garden room, where Grace, as hostess, welcomed the group and introduced guests, all adjourned to the lower lounge, where the program and installation ceremonies took place.

Outstanding guest of the evening was Miss Emily Zigler, director of the Southwestern Region of Soroptimist Clubs. It was an honor for the Albany Club to have Emily present. She will visit Concord Friday evening, and then proceed to Seattle, to represent the region at the Biennial Convention of American and Canadian clubs.

The musical program consisted of cello solos by Mrs. Rita Dows, cornet solos by Laurie McGaw, and vocal selections by Beverly Hill. Sue Irwin, member of the Berkeley Club, and organizer of the Albany Club, was installing officer.

Grace presented "going-out" Pres. Nell Moore with the past president's pin, and Nell showed "going-in" Pres. Edith Lennox how to wear the active president's pin.

Other officers who will assist Pres. Edith are: Vice-pres. Irene Villa; recording secretary, Kay Hill; corresponding secretary, Dorothy Simmons, financial sec'y, Freeda Bolton; treasurer, Katherine Ettingoff and directors, Bea Raymond, Kay Fritz, and Past Pres. Nell Moore.

Delegate to the Southwestern Region are Minnie Lou Eakin, and alternate, Mary Carlevaro. Mary will represent the Club as official delegate in Seattle, along with Pres. Edith, and Regional Treasurer, Sally Nelson. Good wishes and congratulations; we're all behind you!

Open House Fete Concludes Year At MacGregor

The final social event of the spring term took place this week at MacGregor School during which over 150 parents attended the open house program staged by the entire school.

The affair opened on the school playground with Zelda Chevalier, junior low first and low first classes and Lee Heise's third graders presented a folk dance exhibition. The third graders have been instructed this past term by Mrs. Carol Fossellius, room mother.

Elinor Shaughnessy's kindergarten rhythm band gave a concert in their room, followed by a "movie" and play by Edith Ball's high first and low second grades and a science show in Marjorie Saylor's second grade

room. MacGregor PTA served coffee and spndnut "holes" at a snack table in the lobby during the morning with Mrs. Ted Hern, Mrs. Les Spivak, Mrs. Dennis Seaparro and Mrs. Fossellius in charge. The room mothers gave the children room parties in the afternoon.

High 3rd graders of Lee Heise had a special farewell cake complete with all 17 names written in frosting. Mrs. George Nesbitt, Mrs. Kenneth Hawkins and Mrs. Fossellius served.

Graduating high third graders included Robert Barclay, Nancy Borges, Jeanne Cooper, James French, Dolores Hinneberg, Stephen Hoeh, James Jennings, William Llewellyn, Robert Lockhart, Judy Johnson, Katherine Nesbitt, Errol Pedersen, James McKnight, Pamela Royer, Richard Shervington, Ronald Skel and Patricia Starbuck. Richard Moriarty and George Fossellius, low third graders, are also graduating.

More Fun Than Monkeys... 'Y' Summer Slogan

"More Fun Than a Barrel of Monkeys" is the slogan for Albany YMCA summer program which went into full swing this week, according to Elmer F. Colle, executive secretary.

At the first session the boys elected four officers who will serve for three weeks and each officer will captain a squad in athletic and table games. Officers are Peter Olson, president; Art Andrews, vice-president; Gordon Forze, second vice-president and Mike Kinsman, third vice-president.

A similar program is being worked out for the girls. The summer schedule of activities are as follows:

Boys—8 to 14 years, Monday, Thursday 2 to 5 p. m.; ninth and ninth grades, Thursday 3:30 to 5 p. m., Wednesday 7 p. m.; 10th, 11th and 12th grades, Monday, Wednesday 7 p. m.

Girls—8 to 14 years, Wednesday, Friday 2 to 5 p. m.; eighth and ninth grades, 2 p. m.; 10th, 11th and 12th grades, Monday, Wednesday 7 p. m. Swimming for boys will be held at the Berkeley YMCA each Friday at 9 a. m. for beginners and 9:30 a. m. for advanced swimmers. Girls will swim at the same hours on Tuesdays.

The annual summer games will be held for boys at Camp Gualala in Sonoma County and Camp Wasata in the Santa Cruz Mountains for girls.

Adult recreation program will use the following summer schedule:

Ladies' gym, Tuesday and Friday, 10 to 11:30 a. m.; ladies' swimming, Friday 10 to 11 a. m.; men's noon brown Tuesday and Friday 12 noon to 1:30 p. m.; married couple's badminton, Tuesday and Thursday, 7 to 10 p. m.; family swim, Sundays 3 to 4:45 p. m.; couple's swim, Wednesday 8 to 9:45 p. m.

Part-time assistants at the Albany "Y" are Errol G. Summy, George B. Harney Jr., Kaye Denham, Mrs. John Hastings, Mrs. Marie Sorensen, Mrs. Dorothy Williams, Mervin M. Weiner, and Board President Harold G. Denham.

COMMUNICATED

Editor:

I would like to take this opportunity to thank the many people who aided in the plans for the annual Junior Traffic Police picnic. The cooperation of the following organization and firms contributed greatly to the success of the annual outing:

Cornell, Marin and Codornices P. T. A.'s, Villa's Market, Gaeta's (Albany) Furniture Co., The Roberta Restaurant, Corey's and the Peerless Staves.

I also want to thank the representatives from various schools and police officers and their wives who helped in the organization and service at the park.

And for the many boys and girls who have served so faithfully on the Junior Traffic Police squads during the past year, I congratulate them on a job well done.

Sincerely,
VERNON H. FREEMAN, Sgt.

Cub Pack 7 Ties For Champion

Opening up with full power Albany Cub Pack 7 swamped previously unbeaten Cub Pack 9 of Berkeley 18 to 6 in the final game of the Albany-Berkeley Cub Scout Baseball League last Saturday. The upset victory by Pack 7 resulted in a three way tie for the championship at the end of the scheduled season between Pack 7, Pack 9 and Pack 26.

Pack 7 in its league for the first time completed a successful season, topped by winning their last three games after being beaten by Pack 26.

Contrary to their two previous victories when they came from behind to beat Pack 34 by the score of 4 and Pack 2 in extra innings to 11, Pack 7 jumped ahead over Pack 9 and won without trouble from the first inning.

An elimination tournament has been scheduled for the week of Wednesday, June 21 and Saturday morning June 23 at Garfield Junior High School, Berkeley.

Home freezing of foods is no longer a mysterious art—it's the simplest possible way to preserve foods and preserve them at the height of their goodness. So if you have or can buy a home freezer, why not lay by some of the succulent summer fruits and vegetables to enjoy later on? You can count on cheer from the family when "cattin' time" comes.

If you have never prepared foods for freezing, there are a few general principles you should keep in mind. First, to have quality frozen foods, use only the best products. Fruits and vegetables should be at their peak of maturity, neither under-ripe nor over-ripe; they should be fresher-than-fresh and have no imperfections. In general, the varieties with the deepest color are best for freezing.

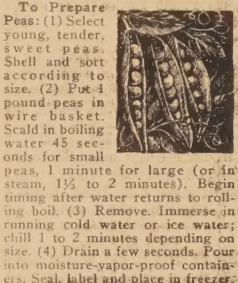

The second rule is to prepare foods for freezing in small quantities. Work quickly and freeze immediately. If it is not possible to put them in a freezer as soon as they are packed, fill, keep cold in the refrigerator.

Last, but by no means least important, is proper packaging. Foods must be packed in moisture-vapor-proof materials and carefully sealed otherwise they will dry out, get tough and shriveled, and lose their natural color. Many types of packaging materials are now available. These include small cartons with bag-type liners, heavily waxed cartons which do not need liners, plastic containers, sheet materials—such as freezer cellophane and aluminum foil—and freezer jars.

To Prepare Strawberries: (1) Sort berries selecting the firm, fully ripe ones for freezing. Wash in ice water (with hulls on to prevent loss of juice), drain thoroughly. (2) Remove caps with knife. Leave berries whole or slice crosswise. (3) If packing sliced berries, place in a bowl and add sugar, using 1 lb. sugar to 4 or 5 lbs. fruit. Mix sugar through the fruit. (4) Fill moisture-vapor-proof containers, allowing 1/2 to 1-inch headspace for expansion during freezing. (5) Heat-seal liners or bags and close boxes tightly. Label. Place in freezer so that containers touch the sides of the freezer. (6) If packing whole berries, make syrup in advance. Dissolve 2 1/2 to 3 cups sugar in 1 pint boiling water; chill. (7) Put berries directly into containers; pour syrup over them until well covered, allowing headspace. (8) Seal packages and freeze. This method is used for all berries.

To Prepare Peaches: (1) Use fully ripe freestone peaches and prepare a few at a time. Scald whole peaches in boiling water 15 to 30 seconds; cool quickly in ice water. Rub off skins; cut in half to remove stone. (2) Slice 1/2 inch thick directly into cartons or jars. Cover immediately with 60 or 70% syrup (3 1/2 to 5 cups sugar to 1 pint water) to which is added 1/4 teaspoon ascorbic acid per pint to prevent browning. (3) Place a piece of crumpled cellophane on top to keep syrup over top of peaches. Seal and freeze.

To Prepare Peas: (1) Select young, tender, sweet peas. Shell and sort according to size. (2) Put 1 pound peas in wire basket. Scald in boiling water 45 seconds for small peas, 1 minute for large (or in steam, 1 1/2 to 2 minutes). Begin timing after water returns to rolling boil. (3) Remove. Immerse in running cold water or ice water; chill 1 to 2 minutes depending on size. (4) Drain a few seconds. Fill into moisture-vapor-proof containers; Seal, label and place in freezer.
